**FROM THE BAY AREA:** Take Interstate 80 to Sacramento and change to Highway 50 east in Sacramento. Distance to South Lake Tahoe is approximately 100 miles. Pass the Lake Tahoe Airport on your right. Approximately 1 mile past airport you will come to stoplight. Proceed straight through light. Turn immediately right into Millers Outpost / Mikasa parking lot and exit onto side street next to Millers. This is Dunlap Drive and we are right across the street, next to the health food store.

**FROM RENO/TAHOE AIRPORT:** Take Highway 395 south through Carson City. On the south side of Carson, turn right on Highway 50 west. Proceed to South Lake Tahoe and cross the Stateline from Nevada into California. Approximately 5 miles into California on your right, you will see a Staples Store, then right next door a BlockBuster Video (only one in town). Turn immediately right after the Blockbuster. This street is Dunlap Drive and our offices are in the third building in on the right hand side.
